Description

To tackle poverty exacerbated by rising youth unemployment, the Basotho Enterprises Development Corporation (BEDCO), in partnership with the Revenue Services Lesotho (RSL) and the Standard Lesotho Bank (SLB), invites proposals for the Bacha Entrepreneurship Project.

The project aims to assist unemployed youth aged 21 to 35 in becoming entrepreneurs and driving economic growth by helping them start their own businesses. It seeks to cultivate a generation of young entrepreneurs who can overcome barriers to becoming job creators instead of job seekers. The three partners invite viable,
